What do you need to know?

Toddler TLC is a space where you can look at, think about and be with your child.

Toddler TLC is a place where we can listen to how you are managing as parents.

Toddler TLC is 'invite only'. This creates a feeling of belonging because it is the same people every week.

We encourage you to come every week so that you can make the most of the group and make friends more easily.

During the group, we ask that you put your phone away so you can be with your child and play!

What do we do?

We focus on relationships

- The relationship between you and your child
- The relationship between your child and other children
- The relationship between you and other parents
- The relationship between you and the TLC team.
